A software developer, currently studying for a bachelor's degree in computer science, majoring in cyber security. Naturally inquisitive and enjoying learning new things, I fit in well with others. Fluent in numerous languages, including French, English, and Italian. I am looking for opportunities to apply the skills I have acquired on my own over the past years.

## SKILLS

### Languages

HTML, CSS/SCSS, JavaScript (ES6+), TypeScript, Python

### Frameworks / Libraries

Node.js, Express, Fastify, Vue, Nuxt.js, jQuery, Bootstrap, Bulma

### Tools

Git, MongoDB, PostgreSQL, SQLite, Redis

### Design

Photoshop, Illustrator

## Education

Université de Sherbrooke, Sherbrooke, QC	2023 - Present
Bachelor of Science in Computer Science	
Columbia College, Vancouver, BC	2021 - 2023
University Transfer in Computer Science	
Lycée Français de Tananarive, Madagascar	2017 - 2020
High School Diploma

## Project Experience

### MIA | IT Manager

January 2024 – Present

Democratic Republic of Congo

- I am currently working as an IT Manager for MIA.
- I am responsible for managing the IT department and all its staff.
- I am also responsible for managing the company's IT infrastructure.

### UNICEF | Web Developer - Internship

June 2020 – March 2021

Madagascar

- Individually built web application to manage inventory of the company utilizing Express.js, Bootstrap & MongoDB
- Improved efficiency for up to 5 IT department staff; transferred from MS Access to a web application available on mobile + computer devices.
